

UNIFORM SUPPLEMENT

Our current uniform suppliers are [Schoolbelles](#) and Amazon.

Schoolbelles

Nearly all uniform elements are available through Schoolbelles.

To order at Schoolbelles, use school year 2024 and school code S2940.

NOTES: the girls' jumpers, skirts and vests *must* be purchased through Schoolbelles;
the high school boys' tie *must* be purchased through Amazon at this time.

- **For girls:** Please note that the uniform for sixth grade and higher changes from a jumper to a skirt and vest.
- Additionally, jumper / skirt length must be ordered in inches.
 - Measure carefully from your daughter(s)' true waist to ensure that the skirt length falls below the knee while sitting. The maximum length available for non-custom orders is 25 inches, which should be sufficient for most girls.
 - Custom orders are available for taller girls.
- **For boys:** Schoolbelles pants are 65% polyester and 35% cotton. You may wish to consider Amazon options which are 60% cotton / 40% polyester (see page 2).
